Excluding "Wig Makers, Hairdressers" (XIX. 1.); and "Receiving Shop, Receiving Office—Keepers, Assistants" (XXII. 3.); these are included under "All Other Occupations."

TABLE 17.—FORMER OCCUPATIONS of "PENSIONERS" and "RETIRED," distinguishing those enumerated in WORKHOUSES and LUNATIC ASYLUMS, and also, for FEMALES, the UNMARRIED, MARRIED, and WIDOWED, 1911.

NOTE.—This Table is supplementary to Table 3, where the Pensioners and the Retired are shown simply as such without regard to their former Occupations. Inmates of Lunatic Asylums, or of Workhouses, when described as Insane and as having formerly followed some occupation, have been classed as "Retired," irrespective of age; also other formerly occupied Inmates of Workhouses or Workhouse Infirmaries if aged 60 years or upwards. Patients in Hospitals and Prisoners of all ages, on the assumption that their ordinary work has been relinquished for a time only, have not been dealt with as "Retired." No Officers in the Army or Navy are included in the "Retired."

The large number of persons shown at end of Table under the head "Others (former occupation not stated)" at ages 65 and upwards is due to many Old Age Pensioners being returned simply as "Pensioners" without further description. Persons who were returned as "Old Age Pensioners" without particulars as to occupation are excluded from this Table.
